

EXAMINATION POLICY

Subject to change as per the direction of CBSE guidelines & DoE order

Rahul Model Public School believes in providing a comprehensive and holistic education that prepare our students for the challenges in future. Examinations are an integral part of education process. Evaluation is continuous process which reveals the strength and weakness of learners frequently so that learners have better opportunity to understand and improve themselves.

The School follows the guidelines issued by the CBSE & DoE from Class Nursery to XII. Assessment of the students are done through discussion and revision worksheets.

The students are assessed through four evaluations in **Nursery Section** on the basis of day to day observation, pen paper test, general discussion and revision sheets during the academic year.
